The sample data contained herein only applies to the specific licensee, location, sample lot, and variety identified above. The form does not release any other plant material in the possession of the licensee. Pursuant to OAC 901:14-1-08, the plant material identified on this form must be harvested within fifteen (15) days of the sample date listed above. Failure to harvest all the plant material listed above will require additional testing to be paid for by the licensee.

This form may be copied only for the purposes of transporting the plant material identified on this form. Immediately upon request, licensees or their agents shall produce a copy of the licensed cultivator's license and a copy of the hemp release form to a representative of the department or a law enforcement agency if they are stopped or otherwise detained during transport. See OAC 901:14-1-15(C).
